**UNINSURED MOTORISTS COVERAGE
OFFER FORM**

California law permits you to make certain decisions regarding Uninsured Motorists Coverage. This document provides general descriptions of coverage and the options available. Refer to your policy for the prevailing coverage provisions.

I. BODILY INJURY - UNINSURED MOTORISTS COVERAGE

Your automobile bodily injury liability insurance policy will automatically include Uninsured Motorists Coverage for bodily injury in limits equal to your bodily injury liability limit(s), unless you (1) delete this coverage completely, (2) delete the coverage as to a motor vehicle operated by a natural person(s) designated by name or (3) select a lower limit(s) of coverage, but not less than the minimum financial responsibility limits. If you wish to delete or reduce the bodily injury uninsured motorists coverage limits, please make your choice(s) below.

A. Selection of Lower Limit(s) of Bodily Injury Uninsured Motorists Coverage

The California Insurance Code requires an insurer to provide uninsured motorists coverage in each bodily injury liability insurance policy it issues covering liability arising out of the ownership, maintenance, or use of a motor vehicle. Those provisions also permit the insurer and the applicant to provide the coverage in an amount less than that required by subdivision (m) of Section 11580.2 of the Insurance Code but not less than the financial responsibility requirements. Uninsured motorists coverage insures the insured, his or her heirs, or legal representatives for all sums within the limits established by law, which the person or persons are legally entitled to recover as damages for bodily injury, including any resulting sickness, disease, or death, to the insured from the owner or operator of an uninsured motor vehicle not owned or operated by the insured or a resident of the same household. An uninsured motor vehicle includes an underinsured motor vehicle as defined in subdivision (p) of Section 11580.2 of the Insurance Code.

I hereby select Minimum Financial Responsibility limits of \$15,000 each person/\$30,000 each accident; OR \$30,000 each accident. The Uninsured Motorists Coverage limits will be either split (each person/each accident) or a combined single limit (each accident, CSL), consistent with the bodily injury liability limits on the policy.

I hereby select other limits greater than the Minimum Financial Responsibility limits, but lower than the policy bodily injury liability limit. (Specify limit)

- \$50,000 each accident CSL
- \$60,000 each accident CSL
- \$100,000 each accident CSL
- \$250,000 each accident CSL
- \$300,000 each accident CSL
- \$350,000 each accident CSL
- \$500,000 each accident CSL
- \$750,000 each accident CSL
- \$1,000,000 each accident CSL
- \$ _____

B. Deletion of Bodily Injury Uninsured Motorists Coverage

The California Insurance Code requires an insurer to provide uninsured motorists coverage in each bodily injury liability insurance policy it issues covering liability arising out of the ownership, maintenance, or use of a motor vehicle. Those provisions also permit the insurer and the applicant to delete the coverage completely or to delete the coverage when a motor vehicle is operated by a natural person or persons designated by name. Uninsured motorists coverage insures the insured, his or her heirs, or legal representatives for all sums within the limits established by law, which the person or persons are legally entitled to recover as damages for bodily injury, including any resulting sickness, disease, or death, to the insured from the owner or operator of an uninsured motor vehicle not owned or operated by the insured or a resident of the same household. An uninsured motor vehicle includes an underinsured motor vehicle as defined in subdivision (p) of Section 11580.2 of the Insurance Code.
